Hi colleagues,

My name is Ronald van der Weijde. The 2nd of January 2017 I started working at XSPlatforms as a mechanic. Before I was hired at XSPlatforms I've worked as a mechanic in the heavy industry for 4 years.

In my spare time you can find me at the gym. 2 days per week I do MMA-fighting and like to visit MMA matches in the weekends. Besides that I like to go to soccer games.

I'm looking forward to learn a lot in this company and push my boundaries of knowledge.

Kind regards,

Ronald van der Weijde
